The Complete
Professional Clean

Custom Chemicals International (CCI) is a Queensland based company, specialising in the manufacture and sale of quality cleaning consumables. Founded in 1985, it has since grown on the principles of supplying quality products at reasonable prices and providing strong technical sales support. These principles have helped CCI grow in to one of the most successful, medium sized suppliers to the Cleaning Supplies sector, with a strong network of distributors throughout Queensland.

Custom Chemicals International have a strong focus toward customer compliance and satisfaction - providing the necessary Wall Charts, Emergency procedures, Safety Charts, Fact Sheets and GHS SDS.

Custom Chemicals International also offer chemical training for our distributors giving them a greater understanding of their responsibilities within their role and in turn building their confidence within the market. This enhanced confidence enables staff to perform their job at a higher standard and will enhance their overall performance in the field, which can only benefit the industry. Employees who are competent and on top of changing industry standards can help your business hold a position as a leader and strong competitor within the industry.

We look forward to working with you.

Regards,

Glenn Peipman

Managing Director

CustomCare

Range of product dispensers now available from Seko with customisable labels available for ProMax product dispenser range.

750ml Ready to Use Spray bottles with Custom Care labels, colour coded for convenience.

Custom Care packaging has always been designed with the end user in mind, to make product identification and its usage simple and easy. All labels are colour coded which clearly identify the primary area of use for the product to reduce cross contamination while using the appropriate colour coded mops and buckets.

The five primary colours are:

- Blue for General Purpose;
- Green for Kitchen;
- Red for Bathroom;
- Yellow for Disinfectants and Sanitisers; and
- Purple for Laundry.

Additionally, our labels include QR codes which links directly to SDS and Product Information Sheets (PIS)

The Custom Care range includes our "**Core Range**" which are the vital products used throughout the Hospitality, Aged Care and Child Care industries. These products include icons denoting use, and specifically named for what they are for. These are marked throughout this catalogue.

KITCHEN CLEANERS

Custom Care Kitchen Cleaners range has been designed specifically to be used to clean common kitchen spills, the majority containing phosphates that aid in lifting soils and softening water, leaving the detergents to work on easily lifting a range of soils and stains from all surfaces found in domestic and commercial kitchens.

Tiger

2 in 1 Cleaner and Sanitiser

Tiger rapidly penetrates the toughest soils, breaking the bond with the surface to prevent any soil re-deposition, contains a unique blend of surfactants and germicide for optimum results. The strong quaternary sanitiser present enables Tiger (at a breakdown of 1:50 with water) to be classified as a commercial grade disinfectant under option "C" of the T.G.A. disinfectant test.

Tiger can be used on any area where cleanliness and germ control are required. E.g.: Kitchen Floors, Cabinets, Stoves, Coldrooms, Walls, Bathrooms, and Bench tops

Available in 5L and 20L (for order codes please see page 8)

Automatic and Manual Dishwashing

Rinse Aid

Size	Product Code
------	--------------

2 x 5L 50159
20L 50151

Concentrated rinse additive for automatic dishwashers, assists in the removal of spotting and streaks.

ACME Dishwashing Powder

Size	Product Code
------	--------------

4KG 50110
9KG 50111
20KG 50113

Premium chlorinated automatic dishwashing powder, removes oil, grease, tea and coffee stains.

Auto Wash

Size	Product Code
------	--------------

2 x 5L 50149
20L 50141

Concentrated chlorinated detergent designed for use in automatic dishwashers with liquid feed dispensers.

Auto Wash NC

Size	Product Code
------	--------------

2 x 5L 50419
20L 50411

Concentrated non chlorinated, and freely rinsing detergent designed for use in automatic dishwasher fitted with liquid feed dispensers.

Auto Dishwash Descaler Powder

Size	Product Code
------	--------------

5kg 50170

Acid based descaler for use in dishwashers, coffee machines and urns.

Super Lemon Detergent

Size	Product Code
------	--------------

2 x 5L 50009
20L 50001

Premium grade multi-purpose detergent, phosphate free, biodegradable dishwashing liquid for the food hygiene industry.

Cutlery & Crockery Soaker

Size	Product Code
------	--------------

10KG 51865

Removes stubborn stains on cutlery and crockery. Also suitable for plastics and china. Use as a pre-soak. Also suitable for use as a laundry pre-soak.

Sink Detergent

Size	Product Code
------	--------------

2 x 5L 50079
20L 50071

Commercial use phosphate free, biodegradable manual dishwashing liquid.

Budget Buster

Size	Product Code
------	--------------

2 x 5L 50059
20L 50051
1000L 50053

Economical manual dishwashing liquid, phosphate free, biodegradable and recommended for high volume kitchens.

Surface, Glass and Oven and Grill Cleaners

Tiger

Size	Product Code
2 x 5L	50269
20L	50261

Powerful kitchen degreaser with added orange oil specifically developed to clean and sanitise hard surface areas. (non caustic)

HD Floor Cleaner

Size	Product Code
2 x 5L	50339
20L	50334

Water based, hard surface cleaner formulated to remove heavy grease, dirt and grime from kitchen surfaces. (AQIS approved 2012)

Beer Glass Cleaner

Size	Product Code
2 x 5L	51619

Biodegradable detergent for the routine cleaning of drinking glass by hand or dishwasher.

Oven & Grill Cleaner

Size	Product Code
2 x 5L	50099
20L	50091

Highly effective for the removal of baked on fats, greases and carbon deposits found on ovens and grills.

Size	Product Code
2 x 5L	51879
20L	51871

CCI Bleach can be used for cleaning, whitening, removal of stains and disinfecting in bathroom and kitchens.

DID YOU KNOW

Food Surface Sanitiser/ disinfectant is designed as a non rinse sanitiser for the kitchen.

Phos rinse can be used as a liquid descaler for dishwashing machines.

Auto Dish Wash Non Chlorinated is freely rinsing which means less scale build up.

DISINFECTANTS AND SANITISERS

Custom Care's range of Disinfectants and Sanitisers contain quaternary ammonium compounds and pleasant fragrances. You can feel comfortable knowing you are keeping surfaces free of harmful bacteria while enjoying a fresh scent. Many of the products in the Custom Care Disinfectants and Sanitisers range also containing cleaning properties creating ease of use by cleaning and disinfecting with the one product.

4 in 1 Lemon

Cleaner, Deodorant, Reodorant and Disinfectant.

A powerful disinfectant cleaner containing a high concentration of quaternary germicide which ensures broad spectrum germicidal capabilities. Also contains a unique mix of non-ionic surfactants which provide remarkable cleaning properties. Renowned for its high level of natural lemongrass oil which guarantees a long lasting residual aroma.

Powerful disinfectant cleaner, suitable for use on all washable surfaces including ceramic tiles, plastics, benches, walls, equipment and floors.

Available in 5L and 20L (for order codes please see page 10)

Disinfectants and Sanitisers

4 in 1 Lemon

Size	Product Code
2 x 5L	50629
20L	50621

Commercial grade disinfectant which provides remarkable cleaning properties while deodorising and leaving a pleasant lemongrass fragrance.

Boronia Disinfectant

Size	Product Code
2 x 5L	50749
20L	50741

Concentrated disinfectant deodoriser with a boronia flower fragrance.

Red Gum Disinfectant

Size	Product Code
2 x 5L	50589
20L	50581

Eucalyptus Oil infused deodoriser disinfectant.

Uses 3 Disinfectant

Size	Product Code
2 x 5L	50609
20L	50601

Powerful disinfectant cleaner, suitable for use on all washable surfaces with a floral scent.

Phenyle Disinfectant

Size	Product Code
2 x 5L	50669

Heavy duty disinfectant cleaner formulated as an emulsified blend of taracids in an anionic soap base.

Reasons 3 Disinfectant

Size	Product Code
2 x 5L	50619
20L	50611

Powerful disinfectant cleaner, suitable for use on hard surfaces, no air fresheners are needed when reasons 3 is used. Spice fragrance.

Instant Hand Sanitiser

Size	Product Code
2 x 5L	50769

Designed to provide hand sanitation on clean hands. This product is ideal for use in homes, offices, child care centres, aged care facilities, nursing homes, hospitality areas, outdoor areas and public places.

Water Based Hand Sanitiser

Size	Product Code
2 x 5L	50759

Designed to provide hand sanitation on clean hands. This product is ideal for use in homes, offices, child care centres, aged care facilities, nursing homes, hospitality areas, outdoor areas and public places.

Disinfectants and Sanitisers

Lemon Disinfectant

Size	Product Code
2 x 5L	50559
20L	50551

Lemongrass scented disinfectant incorporates non-ionic surfactants which promotes cleaning whilst disinfecting.

Bunya Pine Disinfectant

Size	Product Code
2 x 5L	50579
20L	50571

Highly concentrated pine scented disinfectant cleaner.

Food Surface Sanitiser

Size	Product Code
2 x 5L	50729
20L	50721

Food Surface Sanitiser designed for use in food preparation areas, cold rooms and store rooms. Can be used as a sanitising soak for cutting boards, knives and utensils.

BATHROOM

Custom Care Bathroom range contains a variety of products to clean all surfaces of your bathroom. With products containing phosphoric acid which is good at removing rust and soap scum, citric and sulphamic acid that works hard to remove fats and oils, chlorine to clean and sanitise as well as hand cleansers, air mists, mild abrasive cleansers and a variety of specialty cleansers.

Bathroom Cleaner

Total Washroom Maintenance

Bathroom Cleaner will quickly attach and remove iron and calcium scale, uric acid build-up, mildew, soap scum, rust and body fats.

Containing a quaternary germicide present to ensure maximum hygiene. It also produces a unique fragrance that will linger for hours.

When used neat in toilets, will clean and disinfect to a hospital grade standard. It can be diluted up to 20:1 for general cleaning and disinfecting.

Fantastic Cleaning for: Toilets, Showers, Floors and Fixtures, Baths and Urinals.

Available in 5L and 20L (for order codes please see page 13)

Bathroom and Toilet Cleaners

Bathroom Cleaner

Size	Product Code
2 x 5L	50469
20L	50461

Will quickly attack and remove iron and calcium scale, uric acid build up, mildew, soap scum, rust and body fats from porcelain in washrooms.

Chlorinated Cleaner

Size	Product Code
2 x 5L	50449
20L	50441

Chlorinated cleaner/sanitiser specially formulated with a clinging action and powerful wetting agents to dissolve and rinse away mould, scum and body fat.

Majestic

Size	Product Code
2 x 5L	50919
20L	50911

Majestic provides total washroom maintenance, and is a new generation organic cleaner with a unique mix of orange and pine oil solvents. Fresh citrus fragrance.

Toilaway

Size	Product Code
2 x 5L	50459
20L	50451

Powerful citrus based detergent specially designed for the removal of undesirable iron and calcium build up in bathrooms and on shower screens. Alpine fragrance.

DID YOU KNOW

Majestic's unique solvents result in easy and effective removal of grease, body fats, soap scum and hard water scale and stains.

Majestic's clinging action coupled with its natural fragrance makes it the ideal product for bathroom use.

Hand wash, Air Fresheners

Anti-Bacterial Pink Hand Soap

Size	Product Code
2 x 5L	51039
20L	51031

Premium hand soap that uses gentle cosmetic detergents, lanoline moisturisers and also contains Chloro Xylenol (Dettol).

Anti-Bacterial White Hand Soap

Size	Product Code
2 x 5L	51019
20L	51011

Premium hand soap that uses gentle cosmetic detergents, lanoline moisturisers and also contains Chloro Xylenol (Dettol).

Pearly Pink Liquid Hand Soap

Size	Product Code
2 x 5L	51439
20L	51431

Pearly thick liquid prepared from mild ingredients, pH balanced for hand hygiene and protection.

Pearly White Liquid Hand Soap

Size	Product Code
2 x 5L	51049
20L	51041

Pearly thick liquid prepared from mild ingredients, pH balanced for hand hygiene and protection.

Deluxe Air Freshener

Size	Product Code
2 x 5L	50699
20L	50691

Anti Tobacco air freshener has a residual effect that allows the pleasant fragrance to linger for hours.

Tropical Garden Air Mist

Size	Product Code
2 x 5L	50719
20L	50711

Concentrated deodoriser and air freshener with a pleasant long lasting spice perfume that masks and destroys unpleasant odours.

Floral Air Mist

Size	Product Code
2 x 5L	50679
20L	50671

Concentrated deodoriser and air freshener with a pleasant long lasting floral perfume that masks and destroys unpleasant odours.

Amenity Cleaners

Peach Hair & Body Wash

Size	Product Code
2 x 5L	50969
20L	50961

All in one shampoo and body wash, cleans and softens hair giving body and bounce, contains extra soft moisturising elements.

Spa Clean

Size	Product Code
2 x 5L	52019
20L	52012

High quality product formulated specifically for the cleaning and sanitising of spa baths.

Liquid Crème Cleanser

Size	Product Code
2 x 5L	50219
20L	50211

Mild abrasive non scratch cleaner for use in bathrooms, kitchens and general areas to clean caked on dirt, grime and soap scum from a variety of surfaces.

GENERAL CLEANERS

Custom Care has a wide range of general cleaners from floor care to animal shampoo to insecticide, we have a product to suit all your general cleaning needs. With all products formulated to work in the toughest conditions, you can be confident knowing that Custom Care will help you clean up all types of soils.

Valencia

Multi-purpose Cleaner Concentrate

Valencia is a powerful anionic concentrate specially developed to optimise cleaning performance. By utilising some recent technological advances in Surfactant Chemistry, Valencia is formulated with the ideal balance of surface active agents. It rapidly penetrates the toughest soils, breaking the bonds with a surface and prevents any soil redeposition. The inclusion of natural citrus oils boosts solvency even further.

Valencia is a true multi-purpose cleaner that will remove grease and grime from walls, tabletops, furniture, floors, doors, motor vehicles, plastic surfaces, laminates, refrigerators, stoves, tiles, sinks, cupboards, venetians, windows and door surrounds, toys, playpens, sports gear, barbecues, pots and pans, showers, toilets and a multitude of other surfaces. Valencia is a particularly good degreaser and finds applications as a general "spray and wipe" cleaner, automotive degreaser, steam cleaner, concrete floor cleaner and laundry pre-spotter. Being a food safe formulation, it is ideal as a kitchen degreaser. No caustic means Valencia is totally safe on aluminium and magnesium alloys.

Available in 5L and 20L (for order codes please see page 17)

Industrial Cleaners

Big Red HD Floor Cleaner

Size	Product Code
2 x 5L	50379
20L	50371

Operates in the heaviest of conditions, penetrates heavy grease, soap scum, oil, carbon deposits, wax and dirt accumulations.

GP Pink Ammoniated

Size	Product Code
2 x 5L	50389
20L	50381

Hard working commercial strength ammoniated cleaner, safe to use on sealed floors and painted walls when sufficiently diluted.

Cit Grit

Size	Product Code
500MI	52185
2 x 5L	52189
20L	52181

Natural citrus oil dissolves grease, oils, tar, paint, printers ink and the majority of soils encountered in an industrial environment. pH balanced and can be used water free.

Bus & Truck Wash

Size	Product Code
20L	51381

Heavy duty truck wash designed to cut through dirt and road grime. Will not promote rust, or dullen painted surfaces.

WB2 Double Strength Degreaser

Size	Product Code
2 x 5L	51319
20L	51311

HD water based degreaser for the removal of dirt and grease from metal, concrete and other hard surfaces. (not aluminium safe)

H.D. Gensolve

Size	Product Code
2 x 5L	50319
20L	50311

Extra strength solvent degreaser, highly alkaline to quickly penetrate into soiled areas, leaves a fresh spice fragrance.

Valencia

Size	Product Code
2 x 5L	50259
20L	50251

Multi-purpose citrus oil cleaner concentrate, readily biodegradable and phosphate free. High dilution rates.

Phos Rinse

Size	Product Code
5L	50310
20L	50311

Powerful water based descaler, formulated to remove algae stains, rust marks, water scale, oxidation, also acts as a corrosion inhibitor and rust converter.

Window and Surface Cleaners

Sparkle

Size	Product Code
------	--------------

2 x 5L 50359
20L 50351

Designed for use on windows, perspex, plate glass, laminated tops, mirrors, plastic coated areas, stainless steel and chrome surfaces.

Glass and Window Cleaner

Size	Product Code
------	--------------

2 x 5L 50239
20L 50231

A dilutable glass and window cleaner that can be used on similar surfaces to Sparkle.

Nano Window Cleaner

Size	Product Code
------	--------------

2 x 5L 52279
20L 52271

Formulated with newly developed and "green" approved nano technology. Anti-streak, anti-fog, anti-scale, soil repellency and hydrophilisation. Safe to use on tinted windows and computer screens.

Spray Away and Wipe

Size	Product Code
------	--------------

2 x 5L 50229
20L 50221

Quick dry and spot free multi-purpose spray and wipe cleaner, safe to use on most hard surfaces, including paintwork. Ready to use.

Neutral Cleaner

Size	Product Code
------	--------------

2 x 5L 50429
20L 50423

Neutral pH floor cleaner with water softening agents, anti-redeposition agents and natural orange oil as solvent booster and grease cutter.

Specialty Cleaners

Animal Care Shampoo

Size	Product Code
2 x 5L	51099
20L	51091
200L	51092

Formulated to give the best results in the care and grooming of horses, cattle and domestic pets.

Ins-kill

Size	Product Code
2 x 5L	51799
20L	51791
200L	51792

Non-residual pyrethrin based insecticide.

Cleaning Vinegar

Size	Product Code
2 x 5L	52029
20L	52021

Commercial grade, white vinegar well known for its anti-bacterial properties and its versatile cleaning power

Sodium Hypochlorite 10-13%

Size	Product Code
2 x 5L	51719
20L	51711
200L	51712

Sanitation/Germicidal properties

Caustic Soda

Size	Product Code
5KG	51570
10KG	51571
25KG	51573

Sodium Hydroxide in a "prilled" form has very low dust levels.

DID YOU KNOW

Neutral Cleaner is low foaming and specially designed for the use in automatic floor scrubbing machines on floors which have been sealed with polymer based products.

WB3 Quick Break Degreaser can be used in poorly ventilated and underground areas, its quick break formula allows hydrocarbons to separate from waste water quickly and efficiently for safe removal.

LAUNDRY

Brite n White

Premium Spray Dried Lemon Detergent Powder

Brite n White is a heavy duty, lemon scented, detergent powder for commercial and domestic washing machines - manufactured by using the "spray dried" method. It has been specially formulated to provide excellent results in all water conditions. This laundry detergent powder is carefully blended from selected ingredients to ensure it will remove normal soils along with most stains. Active oxygen to assist the product to take out stains in the wash. Optical brighteners and polymer additives ensures whites are whiter and colours are brighter.

Available in 15kg (for order code please see page 21)

Custom Care Laundry range has been developed to provide a range of products to suit all needs, from our Econo which is our economical laundry detergent, providing excellent results in all water conditions for an affordable price, to our premium Brite n White Detergent Powder which is specially formulated using spray dried technology. Custom Care Laundry range also contains Laundry Bleach and Fabric Softener which are essential in any laundry.

Laundry Powder

Pre Soak Powder

Size	Product Code
------	--------------

5KG Pail	51860
10KG Pail	51861
20KG Pail	51862
20KG Bag	51863

Formulated to attack heavy stains and soiling of linen prior to the wash cycle. Safe to use on colours. Best results in hot water.

Brite n White

Size	Product Code
------	--------------

15KG Bag	52480
----------	-------

Premium spray dried detergent powder with a fresh lemon fragrance. Removes stains and bacteria through active oxygenation.

Lembrite

Size	Product Code
------	--------------

15KG CTN	51814
20KG Bag	51811

Lemon scented, synthetic detergent powder for top loading and front loading machines.

Dazzle

Size	Product Code
------	--------------

15kg CTN	51825
----------	-------

Dense concentrated product, specially formulated to provide excellent results in all water conditions.

Econo

Size	Product Code
------	--------------

15kg CTN	51822
20KG Bag	51820

Lemon scented detergent powder for both commercial and domestic washing machines, excellent results in hot, cold and hard water.

Laundry Detergent

Seques 1

Size	Product Code
2 x 5L	51909
20L	51901

Premium concentrated detergent contains a unique blend of surfactants and foaming agents for optimum results. Incorporates optical brighteners and a lingering aroma.

Seques 2

Size	Product Code
2 x 5L	51919
20L	51911

Mid range high quality detergent with added water softeners combining the washing power and economy of a powder with all the convenience of a liquid. Cleans, whitens and brightens.

Bleach

Size	Product Code
2 x 5L	51879
20L	51871

CCI Bleach can be used for cleaning, whitening, removal of stains and disinfecting in the following areas: laundry, bathroom and kitchens.

Luxury Fabric Softener

Size	Product Code
2 x 5L	51939
20L	51931

Fabric softener is designed to provide softness and a fresh fragrance which makes ironing easier while eliminating static cling from synthetics.

DID YOU KNOW

Brite n White's spray dried technology means that it won't harden and dry out like other traditional powders when left open.

Pre soak powder can be used as a crockery soak to remove tea, coffee and lipstick stains.

Pre soak powder can also be added to your wash as a destainer for tough soils.

Guest Amenities

Laundry Powder

Size	Product Code
------	--------------

150 x 50g CTN 53300
 300 x 20g CTN 53301
 Earth Laundry Powder is a lemon scented commercial grade detergent, containing no phosphates. Biodegradable

Liquid Laundry Detergent

Size	Product Code
------	--------------

300 x 20ml CTN 53330

Size	Product Code
------	--------------

300 x 12g CTN 53310
 Earth Auto Dishwashing Powder is biodegradable and specially formulated for effective streak free cleaning.

Dishwashing Liquid

Size	Product Code
------	--------------

300 x 12ml CTN 53320
 Earth dishwashing liquid has a neutral pH so is kind to your skin while being tough on grease and grime. Biodegradable.

DID YOU KNOW

Earth brand amenity sachets are Australian made and owned.

Earth amenity chemicals are all biodegradable and environmentally friendly.

Bio-Green

Cleaning Product Range

An Extensive Range of Environmentally Responsible Products

"BIO-GREEN PRO-TABS" with pro-active bacteria are a new generation deodorant cleaning tab designed to clean and reduce odour problems associated with urinals.

The added bacteria digest uric salts and sludge, uric deposits build-ups, eliminating the source of unpleasant odours rather than just masking them. These new strains of bacteria colonise the urinal pipes and degrade the body solids, calcium and urine crystals, keeping the pipes clear and free of odours.

Prepared from select ingredients that have been carefully chosen to maximize both ecological and operator safety.

Size	Product Code
5KG Pail	51590
20 Caged	51591

"BIO-GREEN" is a new generation range of cleaning products with a unique mix of plant based wetting agents, water softeners, soaps and essential oils.

This environmentally responsible range is prepared from ingredients that have been carefully selected to maximise both ecological and operator safety.

SPECIAL FEATURES

- Readily Biodegradable
- Phosphate Free
- Septic Safe - designed to be used in conventional septic, waste water treatment plants, and grey water systems
- Grey Water Safe - breaks down into nutrients that are safe for the garden (low in Sodium, zero phosphate, mild pH)
- User friendly - no known allergens
- Low VOC (Volatile Organic Carbon)
- Aromatic essential oils
- Clean without fumes
- Value for money
- Unique blends of surfactants and essential oils for optimum results

Odour Destroyer

Size	Product Code
2 x 5L	51609

Next generation cleaner formulated with bacteria derived enzymes, to remove odours safely and naturally. Consuming unpleasant odours at their source. Phosphate free, septic safe, grey water safe and readily biodegradable.

Glass and Solar Panel Cleaner

Size	Product Code
2 x 5L	52275

Formulated with newly developed and 'green' approved nano-additive for hard surface cleaners. It forms a protective layer which repels scale and soils - ideal for glass and solar panels. Phosphate free, septic safe, grey water safe and readily biodegradable.

Dishwashing Powder

Size	Product Code
5KG Pail	52332
10KG Pail	52330

Environmentally responsible dishwashing powder generates hydrogen peroxide as an active oxygenated bleach, stain remover and sanitiser. Phosphate free, septic safe, grey water safe and readily biodegradable.

Liquid Hand Soap

Size	Product Code
2 x 5L	52139

Environmentally responsible hand soap, manufactured using cosmetic and plant based wetting agents and moisturisers. Contains an anti-bacterial agent and is pH balanced. Nut Free. Phosphate free, septic safe, grey water safe and readily biodegradable.

Lemongrass Disinfectant with thyme

Size	Product Code
2 x 5L	52749
20L	52741

Environmentally responsible Lemongrass cleaner with added thyme oil which has disinfectant properties. Phosphate free, septic safe, grey water safe and readily biodegradable.

Fabric Softener

Size	Product Code
2 x 5L	52049

Environmentally responsible fabric softener, phosphate free, paraben free and DA free. Designed to give softness and freshness to the whole wash. Phosphate free, septic safe, grey water safe and readily biodegradable.

Nappy Wash Powder

Size	Product Code
5KG Pails	52061

Environmentally responsible, peroxide boosted, stain removing, sanitising powder for use in both commercial and domestic machines. Contains optical brighteners. Phosphate free, septic and grey water safe and readily biodegradable.

Anti-Bacterial Dishwashing Liquid

Size	Product Code
2 x 5L	52259
20L	52251

Environmentally responsible dishwashing liquid for hand washing, contains a natural anti-bacterial agent that is plant derived and eco-friendly. Phosphate free, septic safe, grey water safe and readily biodegradable.

Laundry Powder

Size	Product Code
5KG Pail	52340
10KG Pail	52341
20KG Bag	52342
20KG Pail	52343

Environmentally safe low sudsing laundry powder is compatible with front and top loaders which removes stains, sanitises and deodorises. Phosphate free, grey water safe, septic safe and readily biodegradable.

All Purpose Cleaner

Size	Product Code
2 x 5L	50909
20L	50901

Environmentally responsible, all purpose spray and wipe is safe to use on most hard surfaces compatible with water, used to clean walls, bench tops, tiles, stainless steel, floors, etc. Phosphate free, septic safe, grey water safe and readily biodegradable.

Toilet and Bathroom Cleaner

Size	Product Code
2 x 5L	50899
20L	50891

Contains a unique mix of plant based acids and wetting agents, boosted with natural eucalyptus oils utilising two natural derived food acids to attack stains, i.e. soap scum, mould, mildew. Phosphate free, septic safe, grey water safe and readily biodegradable.

Liquid Laundry Detergent

Size	Product Code
2 x 5L	50879
20L	50871

Environmentally responsible low sudsing liquid for front loading machines, will soil redeposition inhibitors to dissolve and hold laundry soils in suspension. Phosphate free, septic safe, grey water safe and readily biodegradable.
